

# Open House

Wednesday, 22 March 2017, 9 a.m. to 12 noon

SIS Swiss International School, Basel

Welcome to SIS Swiss International School Basel!

SIS is a private day school for children from kindergarten through college. Designed to fulfil the educational goals of Swiss as well as internationally mobile families, the SIS programme is centred on consistent bilingual classroom instruction and peer experience in German and English.

SIS is an International Baccalaureate World School, offering the IB Diploma Programme. In the SIS Bilingual College, students get solid guidance and support in their studies to obtain the bilingual Swiss Matura.

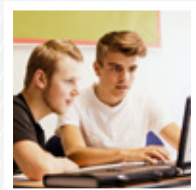

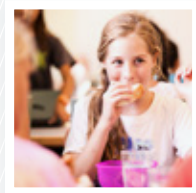

SIS is also authorised by Cambridge International Examinations (CIE) to deliver the International General Certificate of Secondary Education (IGCSE).

You are cordially invited to visit SIS Basel and experience our international school atmosphere.

In addition to the spacious classrooms, our school house offers a well-stocked library, a science laboratory and a computer lab, as well as a large sports hall and an inner courtyard outdoors recreation area. Our day school structure means that our large cafeteria and snack kiosk are a key part of school life.

We are looking forward to seeing you!
